---

This catalogue is also available as an interactive Adobe Acrobat document; for a copy please ask a member of our staff, one of our representatives or check the downloads section of our website. A range of other brochures, leaflets and factsheets on a variety of products are also available, through the same channels. We also provide a catalogue without prices, and can arrange for catalogue pages or a section with your own logo and details. See the Introduction section of our catalogue for our Terms & Conditions of sale. All prices are correct at the time of printing; all prices are subject to change without notice, please check with us before ordering. Prices are in Pounds Sterling. Most prices are Recommended Retail Prices (RRP); net prices are indicated - please check with us if it is not clear. All measurements given are in millimetres and are accurate at the time of printing; please check with us for accuracy.
Anker cabinet & cam locks

Patented Profiles
May be drill protected
All Anker 9000 Cylinders suites are built to order
May be keyed alike or master-keyed together with all Anker cylinders
Standard finishes are matt nickel & matt brass
Polished brass, bright chrome & bronze are available to order. The lead time is up to 3 weeks.
NB These locks are supplied fully assembled; cylinders may be master-keyed, keyed-alike or keyed to differ; and they include two keys per differ.

Enfield 5 & 6 pin furniture locks

Master keying and keyed alike are available
Finishes: satin nickel, satin brass; polished brass [add %10]
Please enquire about availability of other finishes
Standard differs supplied with 3 keys each (2 keys with padlocks)
Master keyed suites are supplied with 2 keys per differ
Keyed alike groups are supplied with 2 keys for the group

6 Pin locks: restricted or registered
Nickel Silver Keys
Drill Protected
Restricted Controlled key blanks
Registered No key blanks sold

Lubricant spray

An oil-free lubricant for all locks
One small application every few months
will keep locks functioning smoothly.
BiLock furniture locks provide all the advantages of the BiLock system
They may be keyed alike or master-keyed with all BiLock cylinders
