

Code for Sustainable Homes

Cycle Storage Security

Issue ID	Description	Credits Available
ENE 8	Cycle Storage	2

Aim
To promote the wider use of bicycles as transport by providing adequate and secure cycle storage facilities, thus reducing the need for short car journeys and the associated CO2 emissions.

What you need *to comply with the code and gain two credits*

- Padlock with Hasp and Staple *rated Sold Secure Silver conforming to BS3621:2007*
